

HR Strategy Committee Meeting October 17 , 2007

The notes from the August 2007 meeting have been posted on Captiva. There was not a meeting held in September.

➤ Candy Sarvis, Supervising Counsel, spoke to the group on the research she has performed on transportation issues for staff to and from Forsyth.

She went over the various laws and regulations that would prohibit the use of GDC vehicles as commuter transportation.

HR Strategy Committee Meeting

October 17, 2007

- Candy Sarvis also discussed the possibility of GRTA as a viable option for our use. Cliff Hartley gave a testimonial on the ease of using GRTA. This option will be explored further.
- A recap of the role of this committee was presented as well as the top 5 employee concerns at this time.
- Discussion was held on when funding would be needed. The budget office informed us that it would be for FY10.

HR Strategy Committee Meeting

October 17, 2007

- **GOAL** – The committee was reminded that our main goal is to communicate and solicit ideas to and from staff as it relates to relocation and that nothing is off limits for discussion in relation to this move.
