NOTICE TO INMATE FAMILY AND FRIENDS

GEORGIA PERSONAL PROPERTY PROGRAM

The Georgia Department of Corrections (GDC) will allow Access Securepak to receive orders for personal property item packages which will be delivered to inmates assigned to **State Prisons**. Diagnostic inmates are not eligible for this program.

Family members and friends of GDC inmates will be able to place orders for property items such as shoes, clothing, cosmetics and various other sundry items. As of April 1, 2012 this will be the only authorized program for these offenders and will be the only way for friends and family to send packages to them.

Family and friends of inmates may participate in this program by placing their orders with Access Securepak subject to the following conditions:

- Per the requirements of the GDC, orders may only be placed by those individuals that are approved for visitation or approved for financials for the inmate they are placing the order for.
 - If you are not currently registered on the inmate's visitation list, please visit the GDC website www.dcor.state.ga.us and review the Offender Families and Friends section titled "Visitation – GDC Policy" to review the necessary procedures to become registered.
 - Access Securepak is required to compare the visitors name and other contact information supplied to Access Securepak during the package purchase process.
- The GDC allows one package per inmate, per month. Quantity limits for specific items have been set by GDC. The quantities allowed will be listed on the printed order forms and the Access Securepak website www.georgiapackages.com.
- Order forms are available for download at www.georgiapackages.com. The order form displays a complete list of items that have been pre-approved by the GDC for the inmate to receive.
- Orders will be accepted by Access Securepak beginning via
