GCI INDUSTRIES

2020

TIMOTHY C. WARD COMMISSIONER
RICKY MYRICK CHIEF OF STAFF
CHRIS TILLER EXECUTIVE DIRECTOR

Georgia Correctional Industries is an integral part of the Georgia Department of Corrections employing approximately 1,000 offenders. During their incarceration, offenders are provided opportunities to enhance key attributes needed to obtain employment upon release. Georgia Correctional Industries plays a valuable role in this process by providing job opportunities within one of our three divisions: Manufacturing, Food Service and Agribusiness.

FOOD & FARM OPERATIONS

GCI Food & Farm programs produce 42% (FY 18) of the food items utilized within the offender menu; with products privileged to carry the Georgia Grown Label. Production facilities include dairy, meat and egg processing units, cannery, and grist mill. Emphasis is placed on efficient farm operations, distribution, warehousing, and food preparation. Major production enterprises include beef, pork, milk, fruits and vegetables, eggs, grits, and corn meal.

FOOD SERVICES

Provides male and female offenders the following menu choices: regular, alternative entree program (religious diet program) and medically prescribed diets. 39,553,392 (FY18) offender meals are prepared and served annually.

RUTLAND CAFETERIA, STATE OFFICES AT TIFT COLLEGE GDC HQ (FORSYTH)

Provides on-site food service to training, cadets, staff and visitors.

- Total meals served 153,421 (FY18)
- Cadet meals served 122,702 (FY18)

FOOD DISTRIBUTION UNIT (MILLEDGEVILLE)

Meat processing, warehousing and distribution unit for statewide food service operations

- Processed 3.25 million pounds of beef and chicken products (FY18)
- Average monthly distribution of food and supplies \$1.8 million
