MEDIUM SECURITY FACILITIES

2020

TIMOTHY C. WARD COMMISSIONER

RICKY MYRICK CHIEF OF STAFF

AHMED HOLT ASSISTANT COMMISSIONER FACILITIES DIVISION

The Facilities Division is responsible for the direct supervision of all offenders sentenced to the Georgia Department of Corrections. There are 14 medium security prisons statewide. Offenders classified as medium security typically fall in one or more categories: no major adjustment problems, may work outside prison fence under constant supervision and are the largest category of offenders in the system.

OVERVIEW

All offenders upon arrival into the Georgia Department of Corrections (GDC) custody are classified and given a security level. This security level drives which prison an offender will be housed at.
